The screenshot shows a Windows 7 desktop environment. The main area of the screen is black, indicating that the desktop background is not visible. A taskbar is present at the bottom of the screen, featuring the Start button on the left and several open application icons. The system tray on the right side of the taskbar displays the date and time as '10/10/2014 12:00:00 PM'. The taskbar itself is light blue, matching the Windows 7 default theme.
